

## What Some Of Our Clients Say.....

*“Training conducted by **Prime** has reduced time spent on some daily /weekly duties allowing staff to be more efficient in their roles. From an organiser’s perspective, Donna makes the whole training process simple, straight to the point and with minimal disruption to staff, at the same time looking for the most cost effective options for the company”*

- **Jodie Paige, Assistant to Managing Director, BMW Financial Services**

*“Of the many many providers of training we looked at, **Prime** stood out. The flexibility, options and the value added to the process was remarkable.....this is the first time we have run a training course and had immediate results. Participants applied the skills and knowledge learnt on the first day back! Managers have noticed the changes in attitude and productivity as well.”*

- **Christine Dafter, Learning & Development Manager, Agility**

***Prime** listened to our requirements and understand our environment and provide suitable solutions for us. This is notable in what it excludes – **Prime** do not focus on selling us services we don’t need.*

- **Ann Tauman – IT Training Manager, Village Roadshow**

*I would definitely recommend **Prime** Solutions and Donna to other organisations, due to her professional and personal approach. Donna takes the time to follow up with customers to make sure they are satisfied with the outcomes. By requesting feedback and continually looking for ways to improve the services she provides, Donna ensures her customers will always be provided with the best possible product.*
